**Directions to Issuing Officers**

**Ensure this account of ballot papers and the certified list are marked correctly!**

**Every time you are issued ballot papers:**

- Count precisely the number of ballot papers received and tell the OIC if there is a discrepancy.
- Write the number of ballot papers received for that issue under the correct ballot paper type column.

**Marking the certified list:**

- Use the black pen and ruler provided to draw a line between the arrowheads next to the voter's name.
- If you make a mistake and mark the wrong name, refer to the procedures on your placecard or EPH.
