INSTRUCTIONS

Preparation of form:
Affix Label 2 to this form for each voting location.

Provide 1 for **each** above and **each** below the line group; and blanks to be used for any ungrouped candidate who receives a below the line first preference vote.

Voting Location/Counting Team:

Enter number of counted votes and attach to top bundle of votes for **each** above the line group and **each** below the line group or ungrouped candidate.

Transfer information to *First Preference Results - Region* **P585.**

Recheck Counting Team Leader:

Use this form to record recheck results.

Record recheck results on the *Recheck Result Sheet - Region* **P500R.**
